

FACHTAGUNG ABBRUCH 2026 on 13th March in Berlin

Industry Exhibition – Conference – Networking THE INDUSTRY EVENT

COLOGNE, 10th December 2025

On March 13, 2026, DA Service GmbH will once again host the **FACHTAGUNG ABBRUCH 2026** for Deutscher Abbruchverband (DA) in Berlin at the former postal station of **STATION BERLIN**.

In 2025, the DA welcomed over 1,200 participants and 114 exhibitors to Europe's largest industry congress in the field of demolition and dismantling.

Accordingly, the goals for 2026 are ambitious once again!

Press Release

The **keynote** will be given by futurologist, entrepreneur, and author **Sven Gábor Jánoszy** on the topic of **"Companies in 2035 - Changing Values in Leadership and the Workplace."**

This will be followed by **12 further exciting presentations** covering a **broad range of topics** by renowned experts and entrepreneurs. They will speak on the circular economy, asbestos, large-scale projects, and controlled demolition. This year's programme features a **strong practical focus with challenging reports** from demolition sites, such as the remediation and disposal of structures during the dismantling of a power plant, the demolition of a cooling tower, and the dismantling of a motorway junction.

TV journalist Kristina zur Mühlen will once again moderate the whole conference.

Industry Exhibition

Over 80 exhibitors have already registered for the trade fair, which presents a wide range of products and services related to demolition, hazardous material remediation, and recycling.

The current exhibitor list can be viewed on the event website, and registration as an exhibitor is open until December 27, 2025.

Dialogue Evening

The Dialogue evening will traditionally take place at **STATION BERLIN**, meaning the **exhibition will remain open during the whole event**. This enhances opportunities for exchange and information sharing for both participants and exhibitors, and provides **numerous networking opportunities** throughout the evening. **A shuttle bus service** between the Hotel Berlin, Berlin by Radisson Individuals and **STATION BERLIN** will be available **all day** during the event.

Sponsors

The already very positive acquisition of sponsors demonstrates the strong establishment of the FACHTAGUNG ABBRUCH. The Deutscher Abbruchverband (DA) extends its sincere thanks to its supporters!

Some sponsorship packages and individual opportunities are still available.

Programme and Registration

On the event website, www.fachtagung-abbruch.de/en, you can view the programme for the FACHTAGUNG ABBRUCH 2026 and find all further information and details about the congress.

Registration as a participant has been open since December 5, 2025. Under the rubric "Attendees", you can register online for the FACHTAGUNG ABBRUCH 2026.

Registration is open until February 20, 2026.

DA Service GmbH and the German Demolition Association look forward to your participation and, above all, to seeing you again!

Since 1951, the Deutscher Abbruchverband e.V. – DA (German Demolition Association) has been the leading business association in the demolition industry with a head office in Cologne and a further office in Berlin. Its over 850 member companies come from the fields of construction and industrial demolition as well as mineral waste recycling and remediation of pollutants. Engineering offices and machine manufacturers support the association as supporting members. The DA provides its members and the general public with comprehensive information on the technical and legal bases of demolition work and its development and ensures that practical experience is incorporated into political and economic decisions as well as into technical standards and regulations, especially in the environmental field. The focus of the association's activities is on education and training, environmental and recycling issues in connection with demolition work and construction waste, as well as quality assurance during demolition and dismantling.
